What do you get in return for helping develop our business?

Well we don't work in the traditional business model, we want you to be very successful and not limited by anything that we may offer as a reward, so we would like you to tell us what you want, how many hours a week you want to work, what you think you should get for holidays, time off, parental leave, we won't be shocked and you might be pleasantly surprised.

Last but not least, when you tell us what you want, please take the time to tell us how you want to grow, what your goals and ambitions are, so if that's wanting to become a master potter in 10 years' time then tell us.

You should submit your CV and details of what you would like as a reward to

HR@strategicanalyticsteam.com.

We will be closing applications at 12.00 noon British Summer Time on the 29th July and expect to undertake interviews during the second week of August, so if you have not heard from us by the 6th August you will have been unsuccessful.
